Kennedy

Kerbdog

I wanna be a Kennedy
I wanna be a big heart breaker
Live fast and for real
And you can follow it in the papersI wanna be a Kennedy
I wanna shake hands with heroes
And kiss the girls of centerfolds on the tongue
And die youngI'll be brave tonight, either live or die
I'll be brave tonight, standing tall and bright
Such romantic eyes got me hypnotizedAnd if I had my chance I'd never let you go
And if I had my chance I'd never let you goI wanna be a Kennedy
I wanna be tall and handsome
I'd conquer the world
And you'd see it on televisionIf I could be a Kennedy
If I could be a real heart breaker
I'd watch you crash into my arms
With the stars under the barrel of a gun
We die young, we die youngI'll be brave tonight, either live or die
I'll be brave tonight, standing tall and bright
Such romantic eyes got me hypnotizedAnd if I had my chance I'd never let you go
And if I had my chance I'd never let you go
And if I had my chance I'd never let you goI'll be brave tonight
I'll be brave tonight
And if I had my chance I'd never let you go
