All I Know

Jimmy Webb

I bruise you
You bruise me
We both bruise too easily
Too easily to let it show
I love you and that's all I knowAll my plans
Have fallen through
All my plans depend on you
Depend on you to help them grow
I love you and that's all I knowWhen the singer's gone
Let the song go onBut the ending always comes at last
Endings always come too fast
They come too fast
But they pass too slow
I love you and that's all I knowWhen the singer's gone
Let the song go on
It's a fine line between the darkness and the dawn
They say in the darkest night, there's a light beyondBut the ending always comes at last
Endings always come too fast
They come too fast
But they pass too slow
I love you and that's all I knowThat's all I know
That's all I know
