Thrasher

Engineers

I can't wait
To see the one I drove away
To greet a constant state
I need it for today
No quick way
You sit and wonder, draw breath
This will not go away
The rope begins to fray
I'd set my goals aside
If I could be with you
I'd set my goals aside
If I could be with you
I'd set my goals aside
But will it get me through
I'd set my goals aside
If I could be with you
Don't make waves
I know you'll do it all again
I tried to reach that point
I know you did the same
I'd set my goals aside
If I could be with you
I'd set my goals aside
If I could be with you
I'd set my goals aside
But will it get me through
I'd set my goals aside
If I could be with you
I'd set my goals aside
But will it get me through
I'd set my goals aside
If I could be with you
