

Watch Over Me (feat. Kristin Hill)

Every Nation Music

In your presence, armies fall
And in my weakness, You are strong
In darkness You go before
I will not fear when You call me outPre-Chorus
Lord, You command the angels to stand
Watch over me, watch over meYou are faithful, never failing
You are steadfast, unchanging
When I call, You will answer
Oh my God, in Whom I trustIn Your shadow I am brave
Unafraid in Your dwelling place
In the face of my enemies
I stand secure, You deliver me(Pre-Chorus, Chorus)Bridge (Declaration)
In know that You will save me
When I Call upon Your name
No harm will overtake me
Because You overcame
Oh God You are my refuge
I rest beneath Your wings
I'm safe in the shelter of my King(Chorus [low])When I call, You will answer
Oh, my God, in Whom I trust
