

# I Always Liked That Best (Acoustic Version)

[Cyndi Thomson](#)

Where do I start, lying on a blanket underneath the stars  
With your head on my chest  
I always liked that best  
I hate how time flies  
I still think back sometimes  
'Bout your lips on my neck  
I always liked that best  
That time we took a ride  
Ended up down by the riverside  
Soft touch, wet kiss  
I always liked that best  
I like the way you used to hold me  
I like the way you came to know me  
Ya came to know me well, well, well Falling to sleep  
Wearing your shirt 'cause it smelled so sweet  
Who could forget  
I always liked that best  
Or losing my heart  
Everytime ya sing to me on your guitar  
Lady in Red  
I always liked that best  
I like the way you used to hold me  
I like the way you came to know me  
Ya came to know me well, well, well  
I could go on  
So many things I miss now that you're gone  
Your love, oh yes  
I always liked that best
