

She's Good

Jackson 5

Man, oh man, how glad I am
To have that pot of gold at the rainbow's end
Talkin' about that girl
She's good, she's good, she's good to me, yeah
Boy, oh boy, loads of joy
Every time she comes to mind, my friend
Talkin' about that girl
She's good, she's good, she's good to me, yeah
(She's good, she's good) Don't you know, I'm in heaven now?
And my little dream, is this really real?
I'm scared to pinch myself to find out
My, oh my, it's hard to realize
That something so groovy could be mine
Talkin' about that girl
She's good, she's good, she's good to me, yeah
(She's good, she's good) Don't you know that the world is mine?
And my little dream, is this really real?
I'm scared to pinch myself to find out
Man, oh man
(She's good, she's good)
Boy, oh boy
(She's good, she's good) Don't you know that she's good to me?
She's good, she's good, she's so good to me
And I love her, ooh
(She's good, she's good)
She's so good
