

Little White Lies (Florrie Remix)

[Florrie](#)

Victim of my own good intentions
I can't say no
My hands tied
I'm trying to stay afloat I've been feeling like
I'm out on the edge again
My breathing shallowed
I can't pretend Little white lies
We keep to ourselves, and will never tell
Ain't hurting nobody Little white lies
Nobody else needs to get hurt
Oh, 'cause they'll never know Little white lies
We keep to ourselves, and will never tell
Ain't hurting nobody Little white lies
Nobody else needs to get hurt
Oh, 'cause they'll never know Victim of my own good intentions
I can't say no
And all my thoughts
Catch up when I'm alone Victim of my own good intentions
I can't say no
My hands tied
I'm trying to stay afloat I've been feeling like
I'm out on the edge again
My breathing shallowed
I can't pretend Little white lies
We keep to ourselves, and will never tell
Ain't hurting nobody Little white lies
Nobody else needs to get hurt
Oh, 'cause they'll never know Little white lies
We keep to ourselves, and will never tell
Ain't hurting nobody Little white lies
Nobody else needs to get hurt
Oh, 'cause they'll never know Oh, 'cause they'll never know
