

# Mind Demons

Suzi Quatro

I couldn't sleep last night  
Too much emptiness  
It made me so uptight  
I needed your caress  
Whoo

You were across the hall  
And I was too proud to call  
Instead I fantasized  
I guess that wasn't wise  
Whoo

Mind Demons  
Whoo  
In my brain  
Whoo  
Mind Demons

Whoo  
Drivin' me crazy  
I turned on the light  
Another sleepless night  
I grabbed a magazine  
You know the kind I mean  
Whoo

Mind Demons  
Whoo  
In my brain  
Whoo  
Mind Demons  
Whoo  
Drivin' me crazy
