Down For You (part 2)

Jhene Aiko

[Intro Hook]I'll be down 4 u baby
I'ma ride for u baby
I will be the one u need
I'll do anything u want me to
[Lil' Fizz Rap]Sexy abs, with your hips to match
Apple bottom jeans wit your lil Gucci backpack
Don't stand there, admire my mac tac
Gift of gab, I never lacked that
In fact, when I whisper in your ears
I see your skin bump up
And the hairs on your arms jump up
I get the same feeling girl when I'm by your side
And when we kiss girl our souls collide
I can provide whatever you need
Just holla girl
[1st Verse]Know how you got me on the line
But I can't stop thinking all the time
Boy where u be
Wanna be around u constantly
Give me that
No can't stand to go feelin
Before I'm even out the door baby
I wanna keep you there with me
I'm that chick
What - no doubt
I'm that chick
Up or down

Don't even gotta say a thing
Cause I'll be down
[Hook]I'll be down 4 u baby
I'ma ride for u baby
I will be the one u need
Give u anything u want
I'll be down 4 u baby
I'ma ride for u baby
I will be the one u need
I'll do anything u want me to
[2nd Verse]Oow what u bet

I'll never let
Nobody else ever think they could come between
What we got between u and me
Cause baby boo u got it like that
And ain't no way I'm holdin it back no
Cause now I got u
And if feels good now to be with u
[B Verse][Hook][Lil Fizz Rap]I ain't tryin to get in your drawers
I'm a gentleman, I open doors
I'm ready and willin to give u more
Than the dude u was with before
