Self Will Run Riot

Prong

See them walk through the raindrops
See them not get drowned
I tend to see their perfect life
Squeaky clean and proudNo pain, no flaws,
No cheating wives
Just to hurt my pride
All that time so liquefied
I could not dryIt's a self will
Self will run riot
It's the self will
Self will run riot
Chasing all the good life
Shielding all the bad
Yielding to the allergy
Clinging to a dead life
Shaking is your hand
Yield to the extremitiesSince it's pending an update
It's impossible to wait
Pushed ahead for it's too late
A leap of faith
Examining the futile
The progression of the vile
Destination the line of fire
A change of lifeIt's a self will
Self will run riot
It's the self will
Self will run riot
Chasing all the good life
Shielding all the bad
Yielding to the allergy
Clinging to a dead life
Shaking is your hand
Yield to the extremitiesThen I paused a second
To contemplate upon this life
Regulation, redesigned
To find my guideChasing all the good life
Shielding all the bad
Yielding to the allergy
Clinging to a dead life

Shaking is your hand
Yield to the extremitiesIt's a self will
Self will run riot
It's the self will
Self will run riot
It's a self will
Self will run riot
It's the self will
Self will run riot
