Lady Let Me Shine

Toploader

Lady, I'm so crazy for you
That I don't know what to do
Lady, I'm so mad today
And I don't know what to say
We're just drifting away
On the dawn of a new day
Who knows where the wind may take us
Just as long as love, love don't break us
Lady, let me shine for you
Walked a thousand miles to drink your water
Just to meet the devil's daughter
Maybe we can make it through
Lady, I don't know where you've been
Lord only knows what you've seen
Lady, I still don't know where you are
So near, so very far
We're just drifting away
On the dawn of a new day
Who knows where the wind will take us
Just as long as love don't break us
Lady, let me shine for you
Walked a thousand miles to drink your water
Just to meet the devil's daughter
Maybe we can make it through
Lady, let me shine for you
Lady, let me shine
We're just drifting away
On the dawn of a new day
Lady, let me shine for you
Lady, let me shine
Lady, let me shine for you
Lady, let me shine for you
