I Got You

[Chris LeDoux](#)

We'll I've been up and I've been down I've been over and I've been around

I've been in and I've been out I've had some thinks to shout about

But I know I won't strike out if I got you

Well I've been good and I've been bad I've been happy oh I've been sad

Had the world right by the tail got the wind below from my sails

But I know I'll never fail if I got you

As long as I got you to talk beside me

Well I'll never let no problem get me down

Well there ain't no problem

Touch enough to ride me or to throw me to the ground

As long as your aroundWell I've been wrong and I've been right I walked in darkness and I've seen the light

I was lost and now I'm found got my feet back on the ground

I know I won't drown I got you

As long as I got you...Well I've been weak and I've been strong I've felt the blues in a country song

Senn my dreams go up in smoke been at the end of my rope

Now I know I won't choke if I got you

As long as I got you...
