Jacquees

Yeah, yeah, oh.
Yeah, yeah, baby
Yeah, yeah, oh
No, no no no no
Girl your body is legit
Mama made you thick
Don't know why you wonder why them other hoes talk shit
I see sex your eyes
Sex between your thighs
I don't play no games, you my candy crush all night.
Can I put my face in your water
I know it's out of order
But he can't do the things that I do
Know the tricks that I know
Don't know why you acting, brand newShe can't get the Snickers from another nigga
She know what I did with the Twix
My ex-girlfriend can't stand her, 'cause her new man hit her with that jolly rancher.
And I want you, call me your willy wonka.
And I want you, call me your willy wonka.
Girl, I want you, call me your willy wonka.
Yeah I know they're after me
I got that chocolate factory
Come thru. come thru. lil mama come thru
If you know what's good for you
If you know what's good for you
Come thru. come thru. lil shawty come thru
If you know what's good for you
If you know what's good for youGirl your body is legit
Mama made you thick
Don't know why you wonder why yo ex man so sick.
She wants Pretty Ricky & Plies every time she rides
Back shots to Jodeci, that's 95 all night
Don't really know if I love her, but I love when she's going under
Taste like Aquafina baby, '98 Trina
Girl I want you three back in, I get her to lead her...
She can't get the Snickers from another nigga
She know what I did with the Twix
My ex-girlfriend can't stand her, 'cause her new man hit her with that jolly rancher.
And I want you, call me your willy wonka.

And I want you, call me your willy wonka.
Girl, I want you, call me your willy wonka.
Yeah I know they're after me
I got that chocolate factory
Come thru. come thru. lil mama come thru
If you know what's good for you
If you know what's good for you
Come thru. come thru. lil shawty come thru
If you know what's good for you
If you know what's good for youCome thru baby.
