

Why Do You Want Him?

Green Day

I saw you standing alone
With a sad look on your face
You call him on the phone
Looks like he left without a traceTears fallin' out your eyes
He's living in a disguise
You're feelin' bad for so long
You wonder if it's right or wrongWhy do you want him?
Why do you want him?Not many days have gone by
And you still just sit there and cry
You're feelin' bad for yourself
His memory will always dwellYou're so obsessed with his love
An' that's why push came to shove
You're feelin' bad for so long
Wonder if it's right or wrongWhy do you want him?
Why do you want him?
Why do you want him?
Why do you want him?You find a way out
To throw it all the way
But you can bet
You got somethin' to sayWhy do you want him?
Why do you want him?
Why do you want him?
Why do you want him?
