Fun Factory

Let's have a celebration by the sea
And get together in peace and harmony
A celebration come and have some fun
Singing oh oh ooh oh, oh oh oh ooh ohLet's have a celebration by the sea
And get together in peace and harmony
A celebration come and have some fun
Singing oh oh ooh oh, oh oh oh ooh oh
Singing oh oh ooh oh, oh oh oh ooh ohBang, bang, bang
Here comes the jam
It's the fun factory
Coming with the next party jamSo what's up, what's on
Baby, come on tell me
Is it me? Is it you?
Tell me, tell me, please don't play meChillin' with the girlies
Ridin' with the fellows in my car

So come on wave it like you just don't care
And if you're down with the fun factory groove
