

# Backstage

## The Donnas

Well, you're all dressed up  
And you had some place to go  
Yeah, you waited so long  
Just to get into my show Don't you know that you're not invited?  
Don't you know that's why I like it?  
Backstage, there's no backstage for you  
Because backstage, there's not enough room for you You waited till the last song  
And you made your move  
Ad your telling all your friends  
That I wouldn't talk to you Don't you know that you're not invited  
Don't you know that's why I like it?  
Backstage, there's no backstage for you  
Because backstage, there's not enough room for you So, you look so foxy  
Yeah, your band plays something new  
And you're telling all your friends  
That I wouldn't talk to you, no Don't you know that you're not invited?  
Don't you know that's why I like it?  
Backstage, there's no backstage for you  
Because backstage, there's not enough room for you Backstage  
Backstage  
Backstage
