

# Wounded

Jay Reatard

I guess you're still all I've got (got!)  
I'm left without, without a thought (thought!)  
A bullet hole, you made no mark (mark!)  
I guess I'll never see you standing there again

Say something  
Say something  
Say something  
Say something  
Say something  
Say something  
You're just standing still!

La da, la da da da da!

This gummy hole is all I've got (got!)  
I'm left without, without a thought (thought!)  
A bullet hole, without a shot (shot!)  
I guess I'll never see you standing there again

Say something  
Say something  
Say something  
Say something  
Say something  
Say something  
You're just standing still!  
We are standing still, we are, we x8
