

# Something

## The Beatles

Something in the way she moves  
Attracts me like no other lover,  
Something in the way she woos me.  
I don't want to leave her now,  
You know I believe and how.

Somewhere in her smile she knows  
That I don't need no other lover.  
Something in her style that shows me.  
I don't want to leave her now,  
You know I believe and how.

You're asking me will my love grow,  
I don't know, I don't know.  
You stick around now it may show,  
I don't know, I don't know.

Something in the way she knows  
And all I have to do is think of her,  
Something in the things she shows me.  
I don't want to leave her now,  
You know I believe and how.
