You're Gone

Diamond Rio

I said, "Hello, I think I'm broken" and though I was only jokin'

It took me by surprise when you agreed

I was tryin' to be clever, for the life of me I never

Would have guessed how far the simple truth would lead

You knew all my lines, you knew all my tricks

You knew how to heal that pain no medicine can fixAnd I bless the day I met you and I thank God that he let you

Lay beside me for a moment that lives on
And the good news is I'm better for the time we spent together
And the bad news is you're goneLookin' back it's still surprisin', I was sinking, you were rising
With a look you caught me in mid-air

Now I know God has his reasons but sometimes it's hard to see them

When I awake and find that you're not there

You found hope in hopeless, you made crazy sane

You became the missing link that helped me break my chainsAnd I bless the day I met you and I thank God that he let you

Lay beside me for a moment that lives on
And the good news is I'm better for the time we spent together
And the bad news is you're gone, the bad news is you're gone
You're gone
You're gone
