Equally Stupid

Unwound

sick sick sick sick
sick of intention, full of pretension.
collectors items, don't ever buy them.
massive attention. fond of infection.
newcomer dances, absent romances.
it never meant a thing to the mocking class.
blank stares, supply and demand, iron out the past.
this or that. this or that. this or that. this or that.
the kids are all bastards, they come out of nowhere.
just like their heroes they subtract to zero.
equally stupid, equally stupid, equally stupid, equally stupid.
it never meant a thing to the mocking class.
blank stares, supply and demand, iron out the past.
this or that. this or that. this or that. this or that.
