

# Step (M-Cubed Remix)

## Vampire Weekend

Every time I see you in the world  
You always step to my girl Back back way back  
I used to front like Angkor Wat,  
Mechanicsburg, Anchorage, and Darus Salaam While home in New York  
Was champagne and disco tapes  
From L.A. slash San Francisco But actually Oakland and not Alameda  
Your girl was in Berkeley with her communist reader  
Mine was entombed within boombox and walkman  
I was a hoarder but girl that was back then The gloves are off  
The wisdom teeth are out  
What you on about?  
I feel it in my bones  
I feel it in my bones I'm stronger now  
I'm ready for the house  
Such a modest mouse  
I can't do it alone  
I can't do it alone Every time I see you in the world  
You always step to my girl Ancestors told me  
That their girl was better  
She's richer than Croesus  
She's tougher than leather I just ignored all the tales of a past life  
Stale conversation deserves but a bread knife  
And punks who would laugh  
When they saw us together  
Well they didn't know  
How to dress for the weather  
I can still see them there huddled on Astor  
Snow falling slow to the sound of the master The gloves are off  
The wisdom teeth are out  
What you on about?  
I feel it in my bones  
I feel it in my bones I'm stronger now  
I'm ready for the house  
Such a modest mouse  
I can't do it alone  
I can't do it alone Wisdom's a gift  
But you'd trade it for youth  
Age is an honor  
It's still not the truth

We saw the stars when they hid from the world  
You cursed the sun when it stepped to your girl  
Maybe she's gone and I can't resurrect her  
The truth is she doesn't need me to protect her  
We know the true death  
The true way of our flesh  
Everyones dying but girl you're not old yetThe gloves are off  
The wisdom teeth are out  
What you on about?  
I feel it in my bones  
I feel it in my bonesI'm stronger now  
I'm ready for the house  
Such a modest mouse  
I can't do it alone  
I can't do it aloneThe gloves are off  
The wisdom teeth are out  
What you on about?  
I feel it in my bones  
I feel it in my bonesI'm stronger now  
I'm ready for the house  
Such a modest mouse  
I can't do it alone  
I can't do it aloneEvery time I see you in the world  
You always step to my girl
