## Rancid

Yeeeeeah, all you motherfuckers, criminals will be suckers,  
If you don't step aside for David Courtney,  
Well, all you motherfuckers, criminals will be suckers,  
If you don't step aside for David Courtney!

If you don't step aside for David Courtney,  
Well, all you motherfuckers, criminals will be suckers,  
If you don't step aside for David Courtney!

Please take me up on my advice!  
Because vengeance will be delivered door to door,  
And right on time....

Well, all you motherfuckers, criminals will be suckers,  
If you don't step aside for David Courtney,  
Well, all you motherfuckers, criminals will be suckers,  
If you don't step aside for David Courtney!
