

Rock the House

DJ Jazzy Jeff & The Fresh Prince

When we rock the house there is no doubt
(Is no doubt)
That me and Ready C will turn it out
(Turn it out)
We're down with the DJ Jazzy Jeff
(Jazzy Jeff)And you know that we are def
(That we're def)
And you should not settle for less than the undisputed best
That's right, we are the bestEverywhere we go, every time we do a show
Everybody wants to know how we make em say ho
The way we do is not a magical trick
It's just a lotta def rhymes
(Just like this)Somebody yell, Hooo hooo-ho, say, Ho, ho, ho, hoNow I'm the Fresh Prince, hello, how do you do?
I just have a little fun with the rest of my crew
So take a chill and just relax
Yo, Ready C, pretend that you're a D.J. and scratchAll right now, bust a move
And get the hell out if you're tryin' to bust the groove
'Cause we came to party all through the night
And we're excommunicating those who don't act rightThis is a party, so grab somebody
Drink some Bacardi and dance with everybody
The feeling's good, some people think it's great
Get on the dance floor and let your body gyrate
In cadence with the beat, just move your feet
While the Prince is on the rhyme
(Ready C is on the beat)My beat box rocks everywhere we go
Getting utterly respected at every show
No other can beat me
No girl can out-freak me, man, I'm getting tired
Ready C, give me a beat, pleaseHe does a lot that others cannot do Ready C and the Prince
The toughest two man crew
We're coming out rockin' and we're takin' what's ours
Ready C is the man and the suckers he devours
Beat after beat he gains respectReady C is the man that's keepin' others in check
I like to rock with him, side by side
Me and Ready cold chillin' with the utmost pride
So if you're not down by law to rock the spotThen get the hell out, 'cause we're never gonna stop my beatbox
We been rockin' kinda hard ever since we begun
Yo Ready C, man, play Stanford and Son

Now play it under waterHow 'bout a fresh beat a fresh beat Ready C
How 'bout a fresh beat a fresh beat bust itWell, his name is Ready C, and I'm tellin' you
He can play a beat forwards and backwards too
Play it backwards
Bust it BackwardsDo you know where you're going to
And do you like the things that Ready C is showin' you? Showing you
Where you're goin' to, goin' to
Do you know that we are down by law?We want you all to know that we're primal of all
And when we rock the house there is no doubt
That me and Ready C will turn it out
Do you know where you're goin' to
And do you like the things that Ready C is showin' you?
