

Smack Dab

Chasin' Crazy

Listen up, listen up girlâ€!

You got that supermodel smile, driving everybody wild girl
You got that supernova shine in your eyes, I wanna see your whole world

Listen up, listen up girlâ€!

You put that bang, put that bang in a bullet
Girl you're off the chain, hot dang I wanna pull it

Tell me what you wanted call me
All I know is that I'm falling
You got my heart flying head over heals
Know what you doing, don't you?
Shaking that and making me watch you
I'm digging, digging on your feeling what I feel
Baby, it's your touch
Maybe it's your kiss
Whatever it is
I'm right smack dab in the middle of it

Smack dab in the middle of it girl

The way you rocking side to side
Got me flying hella high girl
Hella high girl, hella high girl
You're so money in the bank
I ain't ever gonna need no change girl

Listen up, listen up girlâ€!

Hey put that twang in the strings that I'm playing
Girl you put the swing in the song that I'm singing

Tell me what you wanted call me
All I know is that I'm falling
You got my heart flying head over heals
Know what you doing, don't you?
Shaking that and making me watch you
I'm digging, digging on your feeling what I feel

Baby, it's your touch
Maybe it's your kiss
Whatever it is
I'm right smack dab in the middle of it

Maybe it's love
Maybe it's love
