Pink And Velvet

Berlin

No more lines tonight
So you want just a loving touch
Hold on to me
And you won't hurt so much
I want you to be free
But I can't do it all
I'll wear
Pink and velvet for you
I'll wear tonight
Pink and velvet for you
Lost the only love I knew
Hearing death released you
I need someone to talk to
Who can help at all
I wear tonight
Pink and velvet for you
I wear tonight
Pink and velvet for you
Where is my shinin' knight
Pink and velvet
No more lines tonight
So I will use my loving touch
I give nothing for free
Does it hurt so much
The needle was our life
Our hope, our trust
Turning into dust
I wear tonight
Pink and velvet for you
I wear tonight
Pink and velvet for you
Where is my shinin' knight
Pink and velvet for you
I'll wear
