

# Movin Bass (ft. Jay-Z)

## Rick Ross

The pop wars, temp rises, a hot boy  
It's the fat boy, skinny ties  
Don't empty mine nigga  
Tall ceilings, chandeliers, I'm authentic  
Gettin' long money, short winded  
Let's go and get it nigga  
Bang bang, bitch niggas caught drinkin' chase  
Roll that double M, get shot and your finger waves  
Twenty chickens watchin' and I still be movin' that base  
Gave a job to the children you scared to raise  
Chain swangin', name rangin'  
Shots fired, same nigga  
We movin' weight I'm at a different pace  
I'm out in HaÃ¢ti with my lady screamin' "n'ap boule"  
I'm hard to kill, Dade county, Versace Neil  
Fourteen for that tattoo worth that dollar bill  
Only one man got the combination to the safe  
Grammy nominated once, but I'm still moving base  
See them plaques on a nigga wall  
We still movin' bass  
Got them records jumpin' off the store  
We still movin' bass  
Copper tried to knock us off  
We still movin' bass  
Haters throwin' shots through a niggas door  
And we still movin' bass  
And we still movin'  
And we still movin' bass  
Fallin' from the sky, the money bad the bigger  
Angels tatted all on me, pray for a lord sinner  
Rolls Royce Corniche, sweepin' me off my feet  
New bitches they by the fleet and we do em' all by the week  
Taz Angels just wanna chill, jewelers just wanna meet  
Weed man expensive, three trips a week  
Misses just wanna freak, feds stay up the street  
Know they tailin' us close so we leak what we wanna leak  
New mob, suit sharp, my suit Farrahkhan  
In the house of the lord, my niggas bearin' arms  
His eyes wide, nose runny got what he fiendin' for  
I'm movin' base, we outta state you know my speakers low  
Put the pistol to your mouth now show me to the safe

Grammy nominated once, but I'm still movin' bass  
See them plaques on a nigga wall  
We still movin' bass  
Got them records jumpin' off the store  
We still movin' bass  
Copper tried to knock us off  
We still movin' bass  
Haters throwin' shots through a niggas door  
And we still movin' bass  
And we still movin'  
And we still movin'  
And we still movin' bass  
And we still movin' bass  
And we still movin' bass
