

# That's What Boys Are Made For

Tammi Terrell

(That's what boys are made for)  
To hug and to kiss  
(That's what boys are made for)  
To love and to miss  
(That's what boys are made for) You gotta hug 'em  
(Hug 'em)  
And you kiss 'em  
(Kiss 'em) You gotta love 'em  
(Love 'em)  
And you miss 'em  
Oh yeah, that's what boys are made for (That's what boys are made for)  
To hold and to squeeze  
(That's what boys are made for)  
To scold & to please  
(That's what boys are made for) You gotta hold 'em  
(Hold 'em)  
And you squeeze 'em  
(Squeeze 'em) You gotta scold 'em  
(Scold 'em)  
And you please 'em  
Oh yeah, that's what boys are made for Whoa, some can be true  
(Some can be true)  
But then again, they can make you doubt 'em  
But oh ask me, ask me, ask me and I'm gonna tell you  
That you just can't do without 'em (That's what boys are made for)  
Mmm you gotta walk and hold hands with 'em  
(That's what boys are made for)  
And oh, you gotta make all your plans with 'em  
(That's what boys are made for) You gotta walk  
(Walk)  
And hold hands with  
(Hands) You gotta make  
(Make) all  
Your plans with  
Oh, ooh, ooh, ooh  
That's what boys are made for (That's what boys are made for)  
And oh, you know you gotta hug and kiss 'em  
And ooh baby, you know you'll love them  
And sometimes you're gonna miss 'em And oh, ooh, ooh

(That's what boys are made for)  
That's what boys are made for  
Mmm, mmm, mmm  
That's what boys are made for
