Where Are You Now? (Jan Vervloet Rave Remix)

Ian Van Dahl

Where are you nowLie awake and wonder where you are tonight
How will I know
Search for a trace, I look around but you're out of sight
Where did you goThought your love for me was strong
Was I the only one
I don't know where we went wrong
Why did you leave me
Why did you have to goI had a dream last night
A dream about you and me
Love should last forever baby
Where are you nowContemplate the promise you made you'd be my friend
Until the end
My heart aches, I'm in a daze, live in no-man's land
Where do I standThought your love for me was strong
Was I the only one
I don't know where we went wrong
Why did you leave me
Why did you have to goI had a dream last night
A dream about you and me
Love should last forever baby
Where are you now
