I Walked

Sufjan Stevens

Lover, will you look at me now?

I'm already dead to you

But I'm inclined to explain

To you what I could not beforeWhatever you didn't do, what you couldn't say

I am sorry that the worst has arrived

For I deserve more

For at least I deserve the respect of a kiss goodbyeTell me, do you think of me now

As I think of you?

For I could not have shaken

The touch of your breath on my armFor it has stayed in me as an epithet

I am sorry the worst has arrived

For I'm on the floor

In the room where we made it our last touch of the nightI walked, cause you walked

But I won't probably get very far

Sensation to what you said

But I'm not about to expect something moreI would not have run off

But I couldn't bear that it's me

It's my fault, I should not be so lost

But I've got nothing left to loveLover, will you look from me now

I'm already dead but I've come to explain

Why I left such a mess on the floor

For when you went awayI went crazy, I was wild with the breast of a dog

I ran through the night

With the knife in my chest

With the lust of your loveless lifeI walked, cause you walked

But I won't probably get very far

Sensation to what you said

But I'm not about to expect something moreI would not have run off

But I couldn't bear that it's me

It's my fault, I should not be so lost

But I've got nothing left to love

I walked 'cause you walked
