

Fall Forward

Stars In Stereo

Not a day goes by
that I'm not wondering why
we wasted our time.
The worst lies we tell
we will tell ourselves.
But honesty you're a lost worth losing.

Fall Forward.

Bleed Slowly.

We're all we need.

We're all we need.

Fall forward.

Bleed slowly.

We're all we need.

We're all we need.

Not a day goes by
that I'm not wondering why
you gave up our fight.
You say it's for the best
but no one is impressed
that you saved nothing.

Fall Forward.

Bleed Slowly.

We're all we need.

We're all we need.

Fall forward.

Bleed slowly.

We're all we need.

We're all we need.

We don't run away!

When we are taken to the edge!

It's not the end!

The bridges that you burned
are falling down around the truth you hide!

We're all we need!

Fall Forward!

Bleed Slowly!

We're all we need!

We're all we need!!

Fall forward!

Bleed slowly!!
We're all we need!!
You're worth losing.
