

Anarchy In the U.K.

Sex Pistols

Right now ha, ha, ha, ha, ha
I am an anti-Christ
I am an anarchist,
Don't know what I want
But I know how to get it
I want to destroy the passerby 'Cause I want to be anarchy,
No dogs body Anarchy for the U.K.
It's coming sometime and maybe
I give a wrong time, stop a traffic line.
Your future dream is a shopping scheme 'Cause I want to be anarchy,
In the city How many ways to get what you want
I use the best, I use the rest
I use the enemy.
I use anarchy 'Cause I want to be anarchy,
It's the only way to be Is this the MPLA
Or is this the UDA
Or is this the IRA
I thought it was the U.K.
Or just another country
Another council tenancy. I want to be anarchy
And I want to be anarchy
(Oh what a name)
And I want to be an anarchist
(I get pissed, destroy!)
