I Got A Love

Jin

I got a love that's better than
You ever was, you've never been
No good for me, I guess I was
Just way too hood for you to be with
I got a love that's better than
You ever was, you've never been
No good for me, I guess I was
Just way too hood for you to be with
Yo I was doing a show with Kanye in the West
Mid that is, so basically the Chi, M.I. is up in the mix
We in the game now, it makes perfect sense
The kid that dropped outta college, the other never went
We take turns doing our one, two's and yes, yes, y'alls
Look at shorty with my name tatted on her breast yall
Mr. West what do you think is the best?
Take 'em backstage, get acquainted that's what I suggest dawg
When it comes to spittin' G, I'm one of the best yall
She look goods, smell clean and she had fresh draws
Naw, that's too good to be
Usually them type of chicks ain't good for me, no
I got a love that's better than
You ever was, you've never been
No good for me, I guess I was
Just way too hood for you to be with
I got a love that's better than
You ever was, you've never been
No good for me, I guess I was
Just way too hood for you to be with
I got a way with words, I use words in ways
I convince birds to come out they cage and play
Polly want a Gucci parka, ma what did you say?
Polly might get a cracker ain't no trickin' today, hey
But anyway though, she got it on smash like mashed potatoes
High class with a ass that'll smash on J. Lo
Lay low, got play-doh, stash the payroll
Ain't no credit card, spendin' cash on Rodeo
And me, I'm at the Slausson Swap Meet
Lookin' for a pair of air, one's and white tee
She want champagne, I got Sisco and Kool-Aid

Why go to the movies, let's watch the bootleg
I got a love that's better than
You ever was, you've never been
No good for me, I guess I was
Just way too hood for you to be with
I got a love that's better than
You ever was, you've never been
No good for me, I guess I was
Just way too hood for you to be with
Girl I don't wear Prada, never met Gucci
Or wore Versace, all is too boozie
We all know Kanye is Mr. Louis Vuitton
But if I see a L and a V, I'd think that it's on
That's what my old chick used to clash with me
Jin, why'd you get this fake Louis bag for me?
Actually, you should be happy I purchased that
I take this as a sign, you don't want the matching hat
Huh, I'm too gutter, you more Parkay with yours
I'm more I can't believe it's not butter
What the other suckas do for love is a damn shame
I got a new significant number 'cause plans change
I got a love that's better than
You ever was, you've never been
No good for me, I guess I was
Just way too hood for you to be with
I got a love that's better than
You ever was, you've never been
No good for me, I guess I was
Just way too hood for you to be with
I got a love, you ever was
No good for me
I got a love, you ever was
No good for me
