Say What You Mean

Emblem3

Say what you mean, mean what you say
Think about the words that you're using
Speak for yourself
Say what's on your mind
Think about the life that you're choosing
Whenever you need somebody
Whenever you're looking
For somebody who knows
When trouble won't leave you alone
Say what you mean, mean what you say
Look into the world of tomorrow
Say what you mean
Want what is true
Check out of that room full of sorrow
I'm ready to take you with me
I'm ready to be the one
Who's there by your side
When you've just got nowhere to hide
And oh, the angels will walk with you
Whenever you need them
Yeah, the glory that comes with love
Yeah, yeah, yeah
And oh
The treasure that waits for us
Whenever we need it
Now, I just can't hold it back
Yeah, yeah, yeah, yeah, yeah, yeah
The work and the pain, the thunder and the rain
The Word of the earth has been spoken
The bird on the wing, free as the wind
Knowing that the spell has been broken
Now you can laugh with meaning
Now you can throw away
The cloak of disguise
As you turn your face to the sky
The blue of the night, the secrets of the light
The touch of the hand that can lead you
I know you recognize the feeling of surprise
When you realize that he's seen you

Into the strange unknown of love
Standing before me
How your nakedness shows
Now I just can't leave you alone
And oh, I'm ready to take you now
Whenever you want to go
Yeah, my heart is there for you
Yeah, yeah, yeah
And oh
The glory that comes with love
For always and ever, now
Now you can feel me love
Yeah, yeah, yeah, yeah, yeah, yeah
Say what you mean, mean what you say
Tell me 'bout the love that you're feeling
Say what you mean, what you say
Say what you mean, mean what you say
Say what you mean, mean what you say
Let's walk into the forest
Only witnessed by the moon
And the breeze that once would chill us
Now excites
Say what you mean, mean what you say
And we'll touch the secret places
As the earth beneath us breathes
And the raw exquisite ecstasy
Rushes in
Say what you mean, mean what you say
Yeah, yeah, yeah, yeah, yeah, yeah
