

Crack (feat. Chris Brown)

Lupe Fiasco

I got that killer shit, I got that killer shit[Verse 1: Lupe Fiasco]

Killer shit

Villainous hero don't give a shit

Hancock, Will Smith

Adrenaline, with a twist

Take pride that I'm so Chi

These young bucks just a nuisance

To my sidekicks

This shit here like magic

Yeah, this here like magic

Abacadabra: rabbits

No hook but so hooked

Take a crack at my habits

Neutron but too bomb

Did it all with no tablets

It's a write off if it costs right

Get your light blue

And the off white[Hook: Chris Brown]

I ain't fucking with you come on, nooo

Baby all you wanna do is hit it, hit it

Get it, get it, get it

Make me lose my mind girl

I can see that I ain't fucking with you

Come on, nooo, yeah-eh

Baby all you wanna do is hit it, hit it

Get it - bang, bang, bang

Fuck me real good tell me that you'll never let me go[Verse 2: Lupe Fiasco]

No fares, dope fiends

[?] that nose sting

Police, watch them

And they red lights, they got rocks and

Code D, codeine

Call it James Dean, James Dean

Say watch that, watch that

You might die driving the same thing

See that shit?

Triple entendre no accident

[Might crash on ?]

[Contact if you catch a drift?]

[? stack of bricks]
Like 10 rocks crush it up and don't touch it up
While you undercut
All of you here to fuck it up
Nigga let 'em hit it, ruh
Send it through our system
[?][Hook: Chris Brown]
I ain't fucking with you come on, nooo
Baby all you wanna do is hit it, hit it
Get it, get it, get it
Make me lose my mind girl
I can see that I ain't fucking with you
Come on, nooo, yeah-eh
Baby all you wanna do is hit it, hit it
Get it - bang, bang, bang
Fuck me real good tell me that you'll never let me go[Verse 3: Lupe Fiasco]

By any means, I get it clean
One last hit and that's it
[?][Hook: Chris Brown]
I ain't fucking with you come on, nooo
Baby all you wanna do is hit it, hit it
Get it, get it, get it
Make me lose my mind girl
I can see that I ain't fucking with you
Come on, nooo, yeah-eh
Baby all you wanna do is hit it, hit it
Get it - bang, bang, bang
Fuck me real good tell me that you'll never let me go
