

# 32 Feet and Eight Little Tails

Gene Autry

Gallopin', Gallopin', Gallopin', Gallopin, Gallopin', Gallopin, Gallopin, Gallopin'.

Dasher, Dancer, Prancer, Vixen,  
Comet, Cupid, Donner, Blitzen  
Over The Moon So Bright.  
Thirty-two feet and eight little tails of white,  
Hurry, Hurry, Hurry through the night.

Old Saint Nick works so quickly  
Leaving toys for girls and boys.  
And over the roofs so high  
Thirty-two feet and eight little tails they fly  
Faster, faster, faster through the sky.

Oh, Look at them go  
Santa's laughing, Ho, Ho, Ho, Ho, Ho, Ho, Ho, Ho, Ho.

Dasher, Dancer, Prancer, Vixen,  
Comet, Cupid, Donner, Blitzen  
Over the garden wall  
Thirty-two feet and eight little tails in all.  
See them canter, hear old Santa call,  
Merry, Merry Christmas to you all.

Dasher, Dancer, Prancer, Vixen,  
Comet, Cupid, Donner, Blitzen  
Over The Moon So Bright.  
Thirty-two feet and eight little tails of white,  
Hurry, Hurry, Hurry through the night.  
Gallopin', Gallopin, Gallopin, Gallopin'.

Old Saint Nick works so quickly  
Leaving toys for girls and boys.  
And over the roofs so high  
Thirty-two feet and eight little tails they fly  
Faster, faster, faster through the sky.  
Sky, Sky, Sky.

Oh, Look at them go, go, go, go

Santa's laughing, Ho, Ho, Ho, Ho, Ho, Ho, Ho, Ho, Ho.

Dasher, Dancer, Prancer, Vixen,  
Comet, Cupid, Donner, Blitzen  
Over the garden wall  
Thirty-two feet and eight little tails in all.  
See them canter, hear old Santa call,  
Merry, Merry Christmas to you all.
