

# The Fourth Legacy

## Kamelot

Settle for the journey  
Sail across the seven seas  
Carried by the spirit of the brave  
Join the new allegiance now  
And pledge your sacred heart  
A history that no one can forsake  
Flying like an eagle from oblivion  
Rising in the mirror of the sky  
You will find the new allegiance  
Like a beacon in the night  
If you're searching for salvation  
Reach inside, there's a new world approaching  
A fire to be seen in following  
The fourth legacy  
Once you find the passage  
To another promised land  
Don't forget the ones you left behind  
Flying like an eagle from oblivion  
Guided by the rising morning star  
You will find the new allegiance  
Like a beacon in the night  
If you're searching for salvation  
Reach inside, there's a new world approaching  
A fire to be seen in following  
The fourth legacy  
There's glory in the distance  
For the one's that pay the price  
Ignorance creates a subtle mind  
Keep the fighting spirit  
Never close your eyes  
Don't forget the ones you left behind  
Flying like an eagle from oblivion  
Rising in the mirror of the sky  
You will find the new allegiance  
Like a beacon in the night  
If you're searching for salvation  
Reach inside, there's a new world approaching  
A fire to be seen in following  
The fourth legacy
