Eye Of The Tiger

At Vance

Risin' up, back on the street
Did my time, took my chances
Went the distance now I'm back on my feet
Just a man and his will to surviveSo many times it happens too fast
You trade your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them aliveIt's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tigerFace to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds, still we take to the street
For the kill with the skill to surviveIt's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tigerRisin' up, straight to the top
Had the guts, got the glory
Went the distance now I'm not gonna stop
Just a man and his will to surviveIt's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tigerThe eye of the tiger
The eye of the tiger
The eye of the tiger
The eye of the tiger
