

The Boogie Monster (Live T4)

Gnarls Barkley

I got a monster in my closet
Someone's underneath my bed
The wind's knocking at my window
I'd kill it but it's already dead It waits till the midnight hour to come
To torture me for the wrong that I've done
It just sits there and stares at me
And it won't let me get any sleep
(Just let me sleep) I got a monster in my closet
Someone's underneath my bed
The wind's knocking at my window
I'd kill it but it's already dead At first I was scared
When I looked at his eyes
But now that I know him
I'm not that surprised
I'm just waiting on the sun to rise
Oh how I wish that old sun would rise I got a monster in my closet
Someone's underneath my bed
The wind's knocking at my window
I'd kill it but it's already dead I used to wonder why he looked, familiar
Then I realised it was a mirror
Oh and now it is plain to see
The whole time the monster was me Oh there's a monster in my closet
Someone's underneath my bed
The wind's knocking at my window
I'd kill it but it's already dead
The living dead Only thing that'll bring me back alive woman
Is some good good head
Hahahahaha
