

Hotness (feat. Shantelle)

Rihanna

I got the hotness (hotness, hotness, hotness)
I got the hotness (hotness)
RihannaBaby you can call me
Anytime you want me
Hotness loving you is all I need
Boy we can get it cracking
Song text you can make it happen
Come and get the best of me
Song text baby watch me & step up
You don't want to mess up
Lyrics baby it'd be cool if we could see
'cause baby (baby) you got (you got) the fires that I remedyIt's too hot
You don't have to stick around baby
Liedertexte you got
Something I been thinkin' about lately
Don't stop
Liedertext spitting up the game to send me crazy
You know how to get it babe, baby come and get it babe
AlleI got the hotness
Boy if you want this
You should come and go with me
Rihanna boy when I drop this
No way to stop this
I got everything you need
Hotness baby I got this
Think you can rock this
Tell me what's it gonna be
Song text I got the hotness
Boy if you want this, baby you should talk to me
Song textBaby we can ride out
Go somewhere and hide out
Lyrics far away from everything
We ain't gotta tell nobody
We can just get it poppin'
Lyric baby come be next to me
Baby what you got
Can't nobody take it, no
Liedertexte it's on loud
Baby you know you can get it

Liedertext so baby (baby) take me (take me)
To a place where we can be alone
AlleIt's too hot
You don't have to stick around baby
Rihanna you got
Something I been thinkin' about lately
Don't stop
Hotness spitting up the game to send me crazy
You know how to get it babe baby come and get it babe
