

# I C U When U Get There

## Coolio

Now I've seen places and faces  
And things you ain't never thought about thinking  
If you ain't peek then you must be drinking and smokin'  
Pretending not to lockin' but you're brokin'  
Let me get you open now Little Timmy got his diploma and, little Jimmy got life  
And Tamikra around the corner  
Just took her first hit off The pipe  
The other homie shot the other homie  
And ran off with his money  
And when the other homies heard about it  
They thought it was funny but who's the dummy  
Now you done lost the hustler  
A down-ass brother got replaced by a buster  
And though I got love for ya, I know I can't trust you  
Coz my crew is rollin' numbers and your crew is rollin' duchess And just because of that you act you don't like  
a brother  
No more, uh, I guess that's just the way it goes  
I ain't tryina preach, I believe I can reach  
But your mind ain't prepared, I see you when you get there I- I'll see you when you get there  
If you ever get there, see you when you get there  
I'll see you when you get there if you ever get there  
See you when you get there More temptation then faith  
I guess we livin' for today  
I seen a man get swept off his feet by a boy with an AK  
the situation so twisted everybody gettin lifted  
I'm just tryin to take care of my kids  
And handle my business coz it way too serious  
So you gotta pay close attention  
So you don't get caught sittin'  
When they come and do all the gettin'  
Life is a big game so you gotta play it with a big heart  
Some of us gotta run a little faster  
Coz we gotta later start, but I'd be a fool to surrender  
When I know I can be a contender  
if everybody's ascending then everybody could be  
A winner, no matter you rag color deep down we all brothers  
and regardless of the time somebody else still love us  
I'm a suffer and struggle until i'm breathless and weak  
I just strived my whole life to make it to the mountain peak

always keep reaching sure to grab on to something  
I'll be there when you get there when you wit the sound bumpin'  
(repeat 1, 1) Verse 3: PS (40 Thevz)  
You need to loosen up and live a little  
and if they got kids let them know how you feel  
and for your own sake give a little  
oh, you don't want to hear that  
you busy tryina stack  
and keep them from the Jones's is taking advantage of your own  
the realist homies got you but you known them longest  
but some ain't missing a good thing until it's gone  
could have built an empire if not for the jealousy that divides  
we prefare to keep our eyes shut to whats right when  
it's something wrong and we desire  
so hold your head up high if your poor and righteous  
until time seems right  
the problems seem endless  
in the time of despair we gotta put ourselves together  
and if you feel you're out the game then you need to get back in it  
coz nothing worse than a quitter  
you gotta face responsibility one day, my brother  
so gather up your pity and turn it to ambition  
and put your vehicle in drive and stop by my side  
(rpt 1, 1) As we walk down the road of our destiny  
and the times when there was a the  
we got one push to give and one life to live  
stand up for something or lie down in your game  
listen to the song that we sing  
it's up to you to make it big  
I guess I'll see you when you see me  
(rpt 1, 1...)
