Shadows in the Light

Unearth

Turn it off;
Turn it off.
(I) Won't make that mistake
(I've) Been down this road beforeThink again;
Think again.
I will not compromise
(I) Won't compromise anythingBeat down;
(I'm) At the end of my rope
Beat down;
(I) Can't stand these changes
Beat down;
Headfirst I take on survival: survivalTry to tear my down
I won't hesitate to stand face to face with my worst enemyStanding tall in the face of defeat.
Go it alone at my discretion
The hammer falls whenever my will says it does, I promise youI've fallen all too far,
Obsession with the shadow in the light
This constant war will lead me home
This constant war will force me onwardTry to tear me down,
Headfirst I take on survivalI fell all too far,
Obsession with the shadow in the light
I'm at a constant war,
Yet this strife has carried me to my homeI've fallen all too far,
Tear me down
Lost in the shadows in the light,
Tear me downOnly word
It's been a lifetime of fueled obsessions;
A promise kept is my only word
Only wordLost in the shadows in the light,
Tear me downA promise kept is my only word
Only word, it will be kept.
I promise you.
