Sweat

Inner Circle

i've been watching you
a la la la la long, a la la la la long long li long long long
c'mon
a la la la la long, a la la la la long long li long long long
heystanding across the room
i saw you smile
said i want to talk to you-oo-oo
for a little while
but before i make my move
my emotions start running wild
my tongue gets tied
and that's no lie
looking in your eyes
looking in your big brown eyes
ooh yeah
and i've got this to say to you
hey!girl i want to make you sweat
sweat till you can't sweat no more
and if you cry out
i'm gonna push it some, more, more
girl i want to make you sweat
sweat till you can't sweat no more
and if you cry out
i'm gonna push it
push it, push it some morea la la la la long, a la la la la long long li long long long
c'mon
a la la la la long, a la la la la long long li long long longso i said to myself
does she love me or not?
but the dreads done know
that love is his to get
with a little bit of this
and a little bit of that
my lyric goes on the attack
my tongue gets tied
and that's no lie
looking in you eyes
looking in your big brown eyes
ooh girl
and i've got this to say to you

hey!girl i want to make you sweat
sweat till you can't sweat no more
and if you cry out
i'm gonna push it some, more, more
girl i want to make you sweat
sweat till you can't sweat no more
and if you cry out
i'm gonna push it
push it, push it some morea la la la la long, a la la la la long long li long long long
ooh yeah
a la la la la long, a la la la la long long li long long long
one more time
a la la la la long, a la la la la long long li long long long
sing it
a la la la la long, a la la la la long long li long long long
heywoo woo woo woo wee yeah
eyes
looking in your big brown eyes
and i've got this to say to you
heygirl i want to make you sweat
sweat till you can't sweat no more
and if you cry out
i'm gonna push it some, more, more
girl i want to make you sweat
sweat till you can't sweat no more
and if you cry out
i'm gonna push it
push it, push it some more
