Under Your Skin

G Tom Mac

Who is that face in the distorted mirror?
Got to be someone youâ€™ll never remember
Something got lost on the way to your happiness
& nothings enough when youâ€™re first on the guest list

Iâ€™ll never judge you for living your life of sin
Look hard enough candy Iâ€™m right there under your skin.

Whose are those eyes when I wanna believe ya
& who will I see if I go a little deeper

It doesnâ€™t matter what lie that youâ€™re caught up in
What matter is we know Iâ€™m under your skin
Consider me your intrigued soul
Who you found in your little black hole

For all your evil highs & your pissed off ways
Iâ€™ve always been under your skin
Itâ€™s not the way you cry when you feel no pain
Iâ€™m always in under your skin

Play your whole life like a bound Cleopatra
Make a wise man fall apart & shatter
Where is that face that you lost in the mirror
Where is that girl between the shadows & tears

Iâ€™ll never judge you for living your life of sin
Look hard enough candy Iâ€™m right here under your skin.
Consider me an intrigued soul
Who you found in your little black hole

For all your evil highs & your bi-sex claims
Iâ€™ve always been under your skin
Itâ€™s not the way you cry when you feel no pain
Iâ€™m always in under your skin

For all your evil highs & your pissed off ways
Iâ€™ve always in under your skin
Itâ€™s not the way you cry when you feel no pain
Iâ€™m so deep in under your skin

Under your skin, under your skin
