

Mister X

Hurricanes

Spoken intro: Hey guess who's come to town

It's Mister x and he's looking for foxes

And when he find that fox

He's gonna have him some fun

I'm a black cat boogie lover

I'm a red hot stud

I'm a holy rolling coaster

Shaking out of my love

Got midnight shifts to work on

Got money left to burn

Got beer in my freezer

Got nothing left to learn

I'm your man

I'm the hoochie coochie toker

I'm the first in line

There ain't no-one here to match me

I'm a lucky number nine

Got snakeskin sneakers and a mohair zoot

Big banana in my larder

Baby just feel my fruit

I'm your man

Guitar solo

I'm the honky mojo worker

I'm the man with all the jive

Foxes seem to stick around

Like bees around the hive

Thunder in my eyes

Raining in my bones

Lightning in my pocket

Baby come on ride my storm

I'm your man

I'm your man

Guitar solo
