

Alone (Feat. Travis Barker)

Avril Lavigne

Uh, uh, oh, oh, oh
Uh, uh, oh, oh, ohHey man
Tell me what were you thinking?
What the hell were you saying?
Oh, come on now, stop and think about itHey now
Maybe you should just listen
Maybe you should stop talking for a second
Shut up, listen to meYou're so obvious
You're so oblivious
And now you wonder why
You're the one aloneSo don't apologize
You don't even realize
You screwed it up this time
Now you're the one aloneUh, uh, oh, oh, oh
Uh, uh, oh, oh, ohHey bro
I'm just tryin' to let you know
You really think that you're special
Oh, come on now, I've seen so much betterHey there
Did you actually think that I cared?
Don't know if you want to go there
Oh, come on now, keep on, keep on dreamin?You're so obvious
You're so oblivious
And now you wonder why
You're the one aloneSo don't apologize
You don't even realize
You screwed it up this time
Now you're the one aloneIf you want to be my, uh, uh, oh
You know you can't play games
And you know what I mean
Sorry, but you don't get my, my-why-why-whyI'm gone, you're still dreaming
About me over and over and over and over againYou're so obvious
You're so oblivious
And now you wonder why
You're the one aloneSo don't apologize
You don't even realize
You screwed it up this time
Now you're the one aloneYou're so obvious
You're so oblivious
And now you wonder why

You're the one alone So don't apologize
You don't even realize
You screwed it up this time
Now you're the one alone Uh, uh, oh, oh, oh
Uh, uh, oh, oh, oh
Uh, uh, oh, oh, oh
Uh, uh, oh, oh, oh
Alone
