### Music Box

)The courtship of innocence  
Has since past its prime  
And the sweetness we savored  
Has soured with time  
(Chorus)  
If I knew  
What I know now  
I'd never have stayed  
But for that old music box  
And the song that it played  
You can say what you want  
You can say what you will  
You can take me for granted  
'Til you get your fill  
The past I have chosen  
The future I'll claim  
So no pointin' fingers  
'Cause I'll take the blame
