

What Is This Feeling

Al Green

What is this feelin' I have in my heart for you?
Ah, baby, oh baby
Is one of the things I can't explain to you
And that's how I feel about you You kissin' me a thousand times
Slowly drivin' me out of my mind, oh ho, baby, yeah
I'm really crazy 'bout the way you can be, my baby, yeah
Why can't you be that way to satisfy me, ooh baby, oh yeah You go out late at night, that you do
Knowin' thing with you and me ain't right, no My love, love, love, my love, love
Baby, baby, somebody need to help me now, yeah
Love, love, love, love, love, love, love, baby, yeah, say I'm yours, I'm yours, baby, yeah
I'm yours, I'm yours to keep, babe
Crazy 'bout the way you can be, yes I am
Hey baby, hey baby, yeah
Why can't you be that way to satisfy me, baby, yeah I'm yours, I'm yours, yours to keep, baby, yeah
I got to say, your love me it's somethin'
To put me on my feet, baby
I have to, I have to keep on sayin', yeah My love, love, love, baby
Won't you, babe
Hey, let me come on into your love, baby
Oh ho, all you got to do hold me tender, love me long
Hey baby, yeah I wanna know, I got to know What is this feelin'?
What is this feelin'?
