

# I wanna be where u are

Richard Ceasar

Can it be I stayed away too long?  
And did I leave your mind when I was gone?  
It's not my thing - trying to get by  
Darlin', let me tell you where I'm at

I want to be where you are  
Oh, oh  
I want to be where you are  
Oh, oh, oh, oh  
I want to be where you are  
. Oh, oh, say darlin'  
I want to be where you are  
Oh, oh, oh, oh

You don't have to worry 'cause I'm coming  
Back to where I always should have stayed  
Mmm-Now I've learned the meaning to your story, Mama  
there's enough love for me to stay

I want to be where you are  
oh oh  
I want to be where you are  
Oh, oh, oh, oh  
I want to be where you are  
Oh,oh  
I want to be where you are  
Oh, oh, oh, oh

Please don't close the door to our future  
There's so many things we haven't tried  
I will love you better than I used to  
And give you all the love,  
I have inside

I want to be where you are  
oh oh  
I want to be where you are  
Oh, oh, oh, oh  
I want to be where you are

Oh,oh

I wanna be...  
Where you are baby  
I wanna be,  
where,  
be where you are  
I just want be baby  
I want to be  
Oh I wanna be where you are
