

# I Will Be Strong

Eddie Money

Asking you the answer why  
All night long  
Something that I can't deny  
Goes on and on  
I will be strong Can you see the reason why  
We're going down?  
Never ever justify  
Running around  
I will be strong I will be strong When it's all wrong  
It's here and it's gone  
Time marches on  
I will be strong Read in between the lines  
I hear you call  
Shadows seem to hypnotize  
As nighttime falls  
I will be strong I will be strong When you're alone  
Out on your own  
The future's unknown  
Got to be strong Asking you to answer me  
All night long  
Something that you got to see  
Goes on and on  
I will be strong I will be strong I will be strong
