

Waking Up Dreaming

Travie McCoy

In this lieee

Cause I don't wanna lose this feelin'
Don't wake me.

I slip an R.E.M and then I pinch myself to make sure I'm not dreamin'
Or make believein'
I see so many girls but never build the nerve to say a word
Or even form a sentence.

Ohhh, in this lie
Waking up dreaming I know I'm not sleepin
Please don't wake me up cause I don't want to lose this feelin'
Leave me alone don't leave it for my own and please don't go wake me

[T-Pain:]
I stare at walls and watch my life drive when it's done I move on to the ceiling
I'm just mak believein
Cause I went blind two days and I don't know how I'm lookin in what I'm seeing,
Ohhh I can't believe it

Ohh in this lie, waking up dreamin I know I'm not sleepin'
Please don't wake me up, cause I don't want to lose this feelin.
Leave me alone don't leave it for my own and please don't don't wake me
